

Club Miata Vancouver Island Privacy Statement

Personal Information: Means information about an identifiable individual and includes members' personal information but does not include contact information. In complying with the new Privacy Act of January 2nd, 2004, we provide the following information:

Most of the information that we collect is from personal contact, by phone contact, or received from you through the internet. We only collect information necessary to maintain our records and for our own members' use. Most of this information could be considered public in nature.

We do not share, sell, or provide any information we have.

As we get this information from you we consider this to be consent to maintain our records. Should you wish to have us make your information available to other members of Club Miata Vancouver Island, it is necessary for you to give us permission.

We spend considerable effort to safeguard our records from unauthorized access to the Members Only Forum. The personal information received through the Membership Application / Privacy Statement Agreement, and only that of which is authorized by you on the Application, may be presented for Club Members use only.

We required your authorization as to what information will be included in two Membership Contact Lists available to Club Miata Members Only. The first is a list included in the Members Only forum on our website. Access to this forum is granted to Current and Paid Members Only. The second Contact List is produced by way of a printed Membership Roster. Please be assured that your personal information is never given out to a non-member of Club Miata Vancouver Island and the onus falls on each and every one of our members to ensure that their user names and passwords are protected and due diligence is maintained on any copies of the Rosters or Membership contacts they may have in their possession.

By completing and signing the Membership Application / Privacy Statement Agreement, you are hereby acknowledging and agreeing to the terms set out by Club Miata Vancouver Island and those within the Privacy Act. Failure to do so may result in, but not limited to, denied access to the Members Only Forum.
