

BBQ

Kitty Coleman Park

Sat, July 23rd, 2022
Event Planners: Bruce and Pat

Please join us for a day of fun and good food on Saturday, July 23rd at Kitty Coleman Park's Picnic area. This is a box lunch - bring your own, as well as your own refreshments. There are some picnic tables, but if you can bring your own chairs that would be great. There will be a couple of lawn games to share the time. This is a great park with ocean and mountain views if you have not attended before.

We will gather at the **Visitor Centre in Courtenay (just off the highway) at 11:00 am.** Bruce Ellis will lead the group on a run through the countryside culminating at Kitty Coleman provincial park where we have booked the picnic area.

South Island Departure: meet at 8:15 am for an 8:30 am departure from the Shell Station at 1016 McCallum Rd and the Island Highway. Take Exit 15 and turn left on McCallum Road. This will be a direct route to meet at the Visitor Centre in Courtenay for 11:00 am

Mid Island Departure: meet at 9:30 am for an 9:45 am departure from Northfield Park and Ride. Meet at the Visitor Centre in Courtenay for 11:00 am.

Please RSVP no later than July 19th by either calling Bruce E at 250-331-0743 or by e-mail president@clubmiata.net

Here's to great top down summer weather!
