Members of the Club may be taking pictures of the runs and socials. We wish to respect your privacy, but we do not have control over what members, or the general public, do when taking pictures. If you do not wish to have your picture shared or posted, we respectfully ask that you do not insert yourself in group photos. You may also wish to park away from the group of Miatas to avoid your car being included in group car photos. It is your responsibility to ensure you are not in the photos that members or the public take during runs and socials. Thank you.
