

Mid Summer Picnic

Thursday, August 10th
11:00 am at WalMart in Duncan
12:00 to 2:00 pm at Gordon Bay Provincial Park

Please join us for a Mid Summer Picnic at Gordon Bay Provincial Park.

This is a small park with lots of parking and shade. There are picnic tables scattered among the trees; there's a beautiful sandy beach that's perfect for dipping your toes in or going all out for a swim.

From Mid Island, we'll meet at the Info Centre at Northfield Road, Nanaimo (along the inland Highway #19) at 10:00 am. We'll meet up at the WalMart on Drinkwater Road, Duncan for a pit stop.

We'll leave the WalMart at Drinkwater Road, Duncan at 11:00 am and drive some very twisty roads through the Cowichan Valley to the town of Lake Cowichan, and from there we'll continue along the south side of Cowichan Lake to Gordon Bay Provincial Park.

You will need to bring: a boxed lunch, lots of cold drinks, a hat, and don't forget your radio. We'll be tuned to channel 7.0; there are a number of Y's in the road but that'll give the adventure to our drive!

Please let us know if you're coming so we can keep an eye out for you before we go, and don't hesitate to email with any questions. *FYI: we are out of the country for the next week and will not answer the phone until July 18th.*
